2016-2020

GPA-7.5

RLSY COLLEGE MUZAFFARPUR, Muzaffarpur

Senior Secondary

2013- 2015

Percentage : 70%

Bihar Secondary Examination Board

PROJECTS

Web Based

1.Pentapoll :<https://github.com/mitesh98/Pentapoll>

A social sites like fb where you have all features like fb page

group ,pollmates where you can easily create poll and get a dynamic graph of your poll result.

ML Based:

2.Amazon Fine Food Review:

<https://github.com/mitesh98/Amazon-Fine-Food-Review>

It is classical sentiment analysis problem used to classify polarity of Review given by Amazon User

3. Stack Overflow Tag Predictor

<https://github.com/mitesh98/StackOverflow-Tag-Prediction/blob/master/StackOverflow.ipynb>

Suggest tags according to the content of question posted on StackOverflow .

4.Quora Question Pair Similarity:

<https://github.com/mitesh98/Quora-Question-Pairs>

Build a model that could predict whether two questions are similar.

It helps Quora to be redundancy free.This could instantly provide answer to questions that have already been asked.
